

ಶ್ರೀ ಬಿ. ಡಿ. ಜತ್ತಿ.—ಆ ರೀತಿ ಸರ್ಕಾರದ ಗಮನಕ್ಕೆ ಬಂದಿಲ್ಲ. ಮಾನ್ಯ ಸದಸ್ಯರ ಗಮನಕ್ಕೆ ಆ ರೀತಿ ಏನಾದರೂ ಬಂದಿದೆ ಎಂದು ಹೇಳಿದರೆ ಅದನ್ನು ಇನ್‌ವೆಸ್ಟಿಗೇಷನ್ ಮಾಡಲಾಗುತ್ತದೆ.

ಶ್ರೀ ಎಂ. ಸಿ. ನರಸಿಂಹನ್.—ಹಿಂದಿನ ಆವರೇಜ್ ಲೆಖ್ಯವನ್ನು ಇಟ್ಟುಕೊಂಡೇನಾದರೂ ಈ ರೀತಿ ಆದೇಶವನ್ನು ಕೊಟ್ಟಿದ್ದೀರಾ ?

ಶ್ರೀ ಬಿ. ಡಿ. ಜತ್ತಿ.—ಆದೇಶವೇನೂ ಕೊಟ್ಟಿಲ್ಲ. ಆ ರೀತಿ ಸಂಹೇಮಾಡಿದ್ದರೂ, ಆ ರೀತಿ ಕೊಡುವುದಕ್ಕಾಗುವುದಿಲ್ಲ.

ಶ್ರೀ ಸಿ. ಜಿ. ಮುಕ್ಕಣ್ಣಪ್ಪ.—ಚನ್ನರಾಯಪಟ್ಟಣದಲ್ಲಿ ಸೇಂದಿ ಉತ್ತರಮಾಡುವುದಕ್ಕೆ ಪರ್ಮಿಷನ್ ಕೊಟ್ಟಿರುವುದರಿಂದ ಅಲ್ಲಿ ಕುಡಿತದ ಹಾವಳಿ ಜಾಸ್ತಿಯಾಗಿದೆ. ಆ ರೀತಿ ಕುಡಿದವರಲ್ಲಿ ಎಷ್ಟು ಜನಗಳಿಗೆ ಶಿಕ್ಷೆಯಾಗಿದೆ.

ಅಧ್ಯಕ್ಷರು.—ಈ ಪ್ರಶ್ನೆ ಇದಕ್ಕೆ ಸಂಬಂಧಿಸುವುದಿಲ್ಲ.

Sri C. J. MUCKANNAPPA.—There are a number of cases convicted in Hassan District. Channarayana has not been transferred to Shimoga or Chickmagalur District. So, may I know how many cases in Channarayapatana have ended in conviction ?

Sri B. D. JATTI.—I have no talukwise figures. I have given the total number of cases in the district.

ಶ್ರೀ ಎಫ್. ಬಿ. ನರಸಿಂಹೇಗೌಡ.—ಈ ಕೇಸುಗಳ ಪೈಕಿ ಸಾರ್ವಜನಿಕರದು ಎಷ್ಟು ಮತ್ತು ಪೊಲೀಸಿನವರದು ಎಷ್ಟು ?

Sri B. D. JATTI.—We cannot make a distinction between police and the ordinary citizen. All are equal before the law.

ಶ್ರೀ ಎನ್. ಬಿ. ನರಸಿಂಹೇಗೌಡ.—ಪೊಲೀಸಿನವರು ಕುಡಿದಿದ್ದಕ್ಕೆ ಯಾರೂ ಕೇಸು ಹಾಕುವುದಿಲ್ಲ. ಅಂತಹವರನ್ನೇನಾದರೂ ಸಾರ್ವಜನಿಕರೇ ಹಿಡಿದುಕೊಟ್ಟರೆ ಏಕೆ ಅವರ ಮೇಲೆ ಕೇಸು ಹಾಕದೆ ಬಿಟ್ಟುಬಿಡುತ್ತೀರಿ ?

ಶ್ರೀ ಬಿ. ಡಿ. ಜತ್ತಿ.—ಅಂಥಾದ್ದು ಯಾವ ಕೇಸೂ ಇದುವರೆಗೆ ಸರ್ಕಾರದ ಗಮನಕ್ಕೆ ಬಂದಿಲ್ಲ. ಆ ರೀತಿ ಏನಾದರೂ ಬಂದಿದ್ದರೆ ಪೊಲೀಸಿನವರನ್ನೂ ಡಿಸ್‌ಮಿಸ್ ಮಾಡುತ್ತೇವೆ.

### CONSTRUCTION OF HARANGI PROJECT.

\*Q.—45. K. M. DEVAIAH (Periyapatna).—

Will the Government be pleased to state.—

(a) whether the State Government got the approval of the Central Government for the construction of the Harangi Project ;

(b) the height of the proposed Harangi Project ;

(c) the acreage that would come under water as a result of the proposed project ;

(details of the acreage of the following that would come under water may be furnished) ;

(1) Coffee,

(2) Cardamom.

(Sri K. M. DEVAIAH)

(3) Orange,

(4) Paddy fields,

(5) Pisar (Government lands) lands,

(6) Forest area, and

(7) the names of villages that would be submerged ;

(d) the acreage that would be irrigated as a result of this project (District and Talukwar details may be furnished) ;

(e) the site where the proposed dam is to be put up ?

A.—Sri H. M. CHANNABASAPPA (Minister for Public Works and Electricity).—

(a) the project is included in the Third Five-Year Plan and Government of India's clearance is awaited.

(b) height of the dam is (i) 192' above river bed and (ii) 132 above irrigation sluice.

(c) area of submersion at F.R.L. 3002.00 is 5010 acres.

	acres
(1) Coffee	900
(2) Cardamom	578
(3) Orange, etc.	
(4) Paddy fields	1074
(5) Pisar (Govt. lands) lands.	444
(6) Forest Area	Nil
(7) Madapur.

----------------------	-----	-------

Total	...	1,05,000
-------	-----	----------

(e) The proposed dam site at Hardur is 600' upstream near Hardur Bridge.

Sri K. M. DEVAIAH.—What is the total estimated cost of the project ?

†Sri H. M. CHANNABASAPPA.—Rs. 10.5 crores.

Sri K. M. DEVAIAH.—What is the return from the project ?

Sri H. M. CHANNABASAPPA.—4.7% on the investment.

Sri K. MALLAPPA.—Is the investigation complete and the report ready ?

Sri H. M. CHANNABASAPPA.—The investigation has been more or less made complete for the purpose of submitting to the Planning Commission and it has been submitted:

Sri K. MALLAPPA.—Will the report be placed on the table ?

Sri H. M. CHANNABASAPPA.—The report has not been completed in all respects. There are a number of further detailed investigations which are to be made and they are under progress.

Sri K. MALLAPPA.—Are Government aware that a memorandum was presented to the President on behalf of the people of Coorg ?

Sri H. M. CHANNABASAPPA.—I am aware of it.

Sri K. MALLAPPA.—Have Government examined the various points in it ?

Sri H. M. CHANNABASAPPA.—Government have examined it.

Sri K. MALLAPPA.—What is the estimated value of coffee, and cardamom likely to be submerged ?

Sri H. M. CHANNABASAPPA.—That is for the Acquisition Officer to fix.

Sri K. MALLAPPA.—Are Government aware that in the memorandum it is said that about Rs. 5 crores worth of coffee, cardamom and orange will be submerged ?

Sri H. M. CHANNABASAPPA.—What exactly is the estimated cost according to those people who are going to lose the land is for them to make a statement about.

Sri C. J. MUCKANNAPPA.—Sir. I want one clarification from you. It seems you made a statement in Hassan when you went there to attend a function that the Harangi project has received sanction and approval ? May I know whether you said so ?

Mr. SPEAKER.—When I spoke about the Harangi project somewhere I only said that I learnt it had been included in the Third Plan and nothing more and that has been corroborated by the reply.

Sri J. B. MALLARADHYA.—What is the meaning of this 'technical clearance from the Government of India' ?

Sri H. M. CHANNABASAPPA.—The meaning is simple and the Hon'ble Member knows much more than I about technical clearance and administrative clearance. We are awaiting the technical clearance of the CWPC from the technical point of view whether all the technical points that we have assumed are correct and whether they have got any suggestions to make. The Hon'ble Member knows what administrative clearance is.

Sri J. B. MALLARADHYA.—Is it true that this initiative was taken on the recommendation of the CWPC? So far as this project is concerned, there seems to be a lot of confusion in this State in regard to its origin and the forces behind it I want Government to make it clear whether this has received the blessings of the Planning Commission, whether it was initiated by the CWPC and whether the balance of advantage is in favour of this project or otherwise?

Sri H. M. CHANNABASAPPA.—I would like to make it very clear that the balance of advantage is exceptionally good in this project. The area to be submerged is 5,000 acres as against an area of 1,05,000 acres likely to be irrigated in the districts of Coorg, Mysore, Mandya and Hassan. On the technical side, the CWPC have examined the suitability of the place for the dam and it is exceptionally good. Our technical advisers also have made it clear that the place is exceptionally good from the technical point of view.

Sri Y. VEERAPPA.—How many villages come under submersion?

Sri H. M. CHANNABASAPPA.—Only one village having a population of 100 families.

Sri Y. VEERAPPA.—How many planters are affected?

Sri H. M. CHANNABASAPPA.—The total number of planters, that is, those owning cardamom, orange and coffee plantations, is 58. Out of them, 17 big planters come in and about 41 are small planters. 17 big planters are going to lose 1316 acres out of 1478 acres. So, 90 per cent more or less of the area that is going to be submerged out of the plantations comes from these 17 big planters.

ಶ್ರೀ ಸುಬ್ಬಯ್ಯನಾಯಕ್.—ಅಣಕಟ್ಟು ಆಗಬಾರದೆಂದು ಏಕೆ ಬಲವಾದ ಆಕ್ಷೇಪಣೆ ಮಾಡುತ್ತಿದ್ದಾರೆ?

ಶ್ರೀ ಎಚ್. ಎಂ. ಚನ್ನಬಸಪ್ಪ.—ಆ ಜಮೀನುಗಳಲ್ಲಿ ಇಂಟರೆಸ್ಟ್ ಇರುವವರು ಆಕ್ಷೇಪಣೆ ಮಾಡುತ್ತಾರೆ. ಜಮೀನುದಾರರಿಗೆ ನಷ್ಟವಾದರೆ, ಅವರು ಆಕ್ಷೇಪಣೆ ಮಾಡುವುದು ಸ್ವಾಭಾವಿಕ.

Sri K. P. KARUMBAYYA.—What is the rate of compensation the Government has proposed to pay towards the acreage of coffee, cardamom and orange plantation?

Sri H. M. CHANNABASAPPA.—That is a matter for the Land Acquisition Officer to fix.

Sri K. P. KARUMBAYYA.—May I know whether the Government have not come to any conclusions regarding the amount of loss the proprietors have to incur?

Sri H. M. CHANNABASAPPA.—The Honourable Member is a good lawyer. He must necessarily know that it is not for the Government to fix up the compensation. The compensation that is to be provided for will be provided for in the estimate on the basis of the sales of the plantations that take place and this way or that way it is for the Land Acquisition Officer to fix it.

Sri K. PUTTASWAMI.—May I know what is the provision made in the estimate for acquisition purposes?

Sri H. M. CHANNABASAPPA.—It is a matter of detail. I have got the figures here. I will make the same available in the course of the day.

Sri M. C. NARASIMHAN.—In what particulars this present proposal is different from the proposal made by the erstwhile Coorg Government?

Sri H. M. CHANNABASAPPA.—The erstwhile Coorg Government had a number of proposals before them. One Proposal costing Rs. 43.5 lakhs for irrigating only 6,000 acres. Another proposal costing about Rs. 183 lakhs to irrigate land in both Coorg and Mysore. Another proposal to have a power cum irrigation project at an estimated cost of Rs. 2 to 3 crores because there were a number of alternatives prepared between Rs. 2 to 3 crores and at the time in 1955, the Government of Coorg made a proposal to have a big irrigation project costing Rs. 183 lakhs and because the Government of Mysore did not agree, that did not fructify.

Sri M. C. NARASIMHAN.—What is the height of the dam proposed?

Sri H. M. CHANNABASAPPA.—I know the height of the dam proposed for irrigation cum power project and it varies from about 150 feet to 165 feet; but so far as the 183-project is concerned, there is no project available, but it is understood from the discussions that have taken place at the Planning Commission that it was meant to be an irrigation project both in Mysore and Coorg and in 183 feet dam according to the specifications calculated, it will be of the order of 150 feet.

Sri K. MALLAPPA.—Have you ascertained the submergeable area or the area likely to be affected by the rising of the water table due to the dam?

Sri H. M. CHANNABASAPPA.—In an area like Malnad where the water table goes very low, it is a fit case for raising the water table rather than arguing against it.

Sri K. MALLAPPA.—Are you aware that cultivated area will be affected?

Sri H. M. CHANNABASAPPA.—The whole question has been examined and it is the opinion of the Government that nothing of the kind that the Honourable Member is anticipating will happen.

Sri G. DUGGAPPA.—How many times the original estimate of this Harangi project underwent an alteration; have instructions been given to increase it?

Sri H. M. CHANNABASAPPA.—Several schemes were prepared by the C.W.P.C. They requested the C.W.P.C. to make estimates as to how to examine the use of Harangi waters profitably.

Sri G. DUGGAPPA.—What was the atchkat as envisaged by the original estimate ?

Sri H. M. CHANNABASAPPA.—As I have already said, they contemplated four or five schemes and one scheme purely for irrigation in Coorg, another both in both Coorg and Mysore for irrigation *plus* power project. There are therefore a number of projects prepared by them for the utilisation of Harangi water.

Sri K. M. DEVAYYA.—Have you considered alternative places—Padanahalli, Vudgur and Hardur ?

Sri H. M. CHANNABASAPPA.—All the three have been investigated. Vudgur is the lowest one : Padanahalli is higher and Hardur is still higher. For the economic utilisation of water, Vudgur was not found to be suitable on account of the low level. Higher site was necessary and because Hardur is found to be the best, it has been selected.

Dr. R. NAGAN GOWDA.—You were kind enough to say that 58 planters having 1700 acres would be affected. Would the Government think of providing them a similar area where plantations could be done so that they would have their own plantations as before ?

Sri H. M. CHANNABASAPPA.—It is not 1700 acres as the Honourable Member put it. It is 1478 acres of coffee, cardamom and orange, all mixed together. It is not as though the entire area is under coffee plantation. As I have already said, 1316 acres belong to 17 planters and 41 planters own 162 acres. There is a lot of coffee land, orange land and cardamom land available in Coorg District itself. Government will be too happy to give them land for cardamom, coffee and also orange plantations if those who lose their lands come forward to plant coffee, cardamom, etc.

### CONSTRUCTION OF THE KAMBADAKADU PROJECT.

\* Q.—46. Sri K. M. DEVIAH (Periyapatna).—

Will the Government be pleased to state.—

(a) whether the State Government got the approval of the Central Government for the construction of the Kambadakadu Project ;

(b) the height of the proposed project ;

(c) the site where the proposed dam is to be put up ;

(details of acreage of the following that would be submerged may be furnished).—

(1) Coffee,

(2) Cardamom,
